PETITIONING THE COURT

☒ To issue a warrant

☐ To issue a summons

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation of Standard Condition No. 7: "The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substance, except as prescribed by a physician."

Nature of Non-compliance: On March 15, 2021, Reyna submitted to a random drug test. Said result returned positive for methamphetamine on March 23, 2021.

Violation of Special Condition: "The defendant shall take all mental health medications that are prescribed by the treating physician."

Nature of Non-compliance: On March 15, 2021, Reyna admitted that he ceased taking his mental health medications on or about March 10, 2021, against the physician's direction.

U. S. Probation Officer Recommendation: Reyna has violated the conditions of his supervision as evidenced by his continued narcotic use since the inception of his supervised release. The defendant has been provided several opportunities for inpatient substance abuse treatment and has declined all. He underwent a psychiatric evaluation and mental health medications were provided to him at no cost. On two occasions, he has ceased taking his prescribed medications. It is apparent that Reyna is not a candidate for continued supervision. Therefore, it is respectfully recommended a warrant be issued and his term of supervised release be revoked.

Hector J. Garcia
Supervising U.S. Probation Officer

Respectfully submitted,
